## "A GLORIOUS GOD"

**Psalms.** A doorway to the soul. An intimate revelation of God's relationship to his people, and their response to him. The Psalms are probably the most well known part of the Bible - being quoted often in funerals, famous hymns, movies, songs. They are much loved for their deep, personal nature. They speak to the very heart of our lives - whether in the most joyful or troubling circumstances.

But the Psalms do much more than just talk about emotions. They reveal to us the most wonderful and glorious God who has brought us into relationship with Him. They speak of the splendor and majesty of our mighty and powerful God.

This year at Launch our prayer is that we will see what a *Glorious God* we have as He reveals himself to us through his Word.

***"Who is he, this King of glory? The LORD Almighty - he is the King of glory."  
Psalm 24:10***
